

Medical Sociology 2025_26 – **GROUP 2**

Subject coordinator: Barbara Woźniak, PhD (barbara.wozniak@uj.edu.pl)

Teachers:

Ilona Barańska, PhD (ilona.baranska@uj.edu.pl)

Barbara Woźniak, PhD (barbara.wozniak@uj.edu.pl)

Examination: graded credit

Activities and hours: seminar: 14; classes: 8

Teaching methods: case study, discussion, educational film, group work, multimedia presentation

Credit conditions:

The final grade is based on the sum of the following components:

- (1) presentation of a scientific article (empirical research) during seminars (max. 8 points)
- (2) active participation in discussions during seminars (max. 5 points)
- (3) working on a group projects during classes (max. 12 points)
- (4) written credit: test consisting of 30 questions (max. 30 points) and two open-ended/problem-based questions (max. 20 points).

The maximum number of points to be collected by a student from the whole course (seminars + classes + written credit) - 75 points. To pass the course student has to collect 60% of the maximum number of points (i.e. 45 points).

Grading scale:

45 – 51 points --> 3.0

51.5 - 57 points --> 3.5

57.5 - 63 points --> 4.0

63.5 - 69 points --> 4.5

69.5 - 75 points --> 5.0

ATTENDANCE:

Seminars and classes attendance is obligatory. Any absence must be made up by completing the task assigned by the teacher. The number of absences should not exceed 20%. If the absence is not made up, the student will not be allowed to take the written exam.

No.	Course content	Activities	Dates/hrs	Places	Teacher
1	The role of Medical Sociology in medicine. Sociological concepts of health and illness. Psychosocial dimensions of subjective health. Illness and sickness role. Symbolic meaning of illness. Psychosocial indicators of health (well-being)	2 hrs/seminar	September 30, 2025, 8.00-9.30	Chair of Anatomy, Kopernika St. 12, room A13	Ilona Barańska
